

Handrail and shower curtain rail

The handrail from Pressalit Care is a strong, high-quality, durable and stylish system for providing stable support in the bathroom. Furthermore, the hand rail can be used to hang towels on, for shower curtain rail, etc.

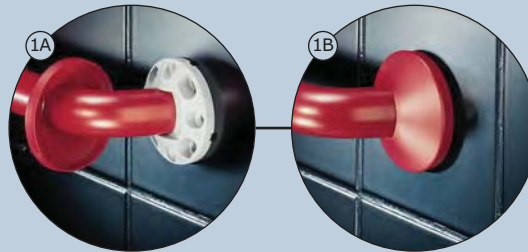

The range includes a curtain and shower rails and floor-to-ceiling poles alongside a myriad of components for customised rail design.

The rails project a clear 50 mm from the wall.

The diameter of the rail is 33 mm, broad enough to push against, small enough to grip.

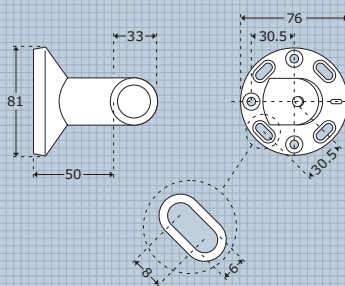

Mounting

- 1 After the wall rosette has been mounted, the cover is pushed tightly against the wall to hide the screws.

Mounting on the wall

Fixing bolts for solid walls are included.

Materials: Powder-lacquered aluminium, plastics

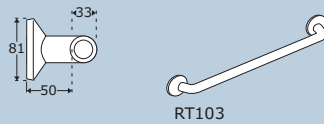

Maximum weight: With span up to 1000 mm: 210 kg
With span up to 1300 mm: 150 kg

Instructions for mounting products onto different wall types can be downloaded from www.pressalitcare.com
